INVITATION

Dear Sir/Madam

Cyberwatch Finland has the great pleasure of formally inviting you to the Opening Ceremony of the World UAV Federation Finland Chapter and the Helsinki Drone Congress.

The Opening Ceremony and the Congress will take place at Messukeskus, Helsinki on Tuesday, first of October two thousand and nineteen. Commencing at 09:00 and finishing at 17:00.

The Helsinki Drone Congress brings together internationally recognized executives, leading experts, drone professionals, and manufacturers from all around the world to exchange and share their experiences. Furthermore, the Congress will serve as a platform to conduct extensive discussions relevant to the UAV Industry, cooperation enhancement, and partnership building.

Should you wish, you are most welcome to continue your stay in Helsinki and participate in Cyber Security Nordic from the second to the third of October 2019. Cyber Security Nordic is the most significant Cyber Security event in Northern Europe and takes place in conjunction with the Drone Congress.

We look forward to meeting you in Helsinki.

Yours Sincerely,

Cyberwatch Finland team
